ABOUT US

WOW (Women Overcoming with Willpower) Legacy Group is a non-profit, with a Mission to Empower, Educate, Inspire and Transform the lives of women facing life adversity.

Founder Secily Wilson, a veteran broadcast news journalist, embodies the word resilience. Her life fell apart after experiencing an on-air stroke, losing her voice, marriage, job, finances and her home. Secily had to hit the reset button in her own life and move forward with fearless intent to change her circumstances. Today, she uses her voice to help countless other women facing life adversity to rewrite their story and Fall into Fabulous!
YOU all may never really know how much of an impact that you have made in my life with this program. This journey has made me look at my life through a different lens. A lens of new beginnings and commitment of a better, stronger, confident, healthier, happier me! I know that my daughters will also benefit from my experiences because they will get lessons from mom on how we are fearless, fierce and always fabulous!

Often times when life falls apart for women, we become paralyzed, discouraged or even hopeless. WOW Legacy Group created Fall into Fabulous (FIF), an empowerment program, recognized as a social safety net for women to regain self-esteem, self-confidence and self-sufficiency. Life tools provided, equip women with the ability to hit the reset button. Instead of falling apart, women Fall into Fabulous!

WHO WE SERVE
Women experiencing emotional setbacks as a result of abuse, health complications, divorce, job loss, death of a loved one or any life adversity.

WHO WE SERVE
Ashley

"Before the program, me and my three teenage children were living in a small, two-bedroom trailer with electrical issues and no doors to our bedrooms. Now, we are living in a fabulous three-bedroom apartment... with doors that can actually open and close! As a Fall into Fabulous participant, I learned that we all have bumps in the road that we must overcome, but that we are not alone. This home is such a blessing and I am overjoyed and grateful."

WHAT IS REQUIRED TO FALL INTO FABULOUS
The FAB transformation begins with a commitment and the “Fearless Intent” to make positive life changes. Each participant receives 50 hours of education, during the 16 week curriculum based, empowerment and life skills program.

EMPOWERMENT SESSIONS INCLUDE

FINANCIAL IMPROVEMENT
CAREER READINESS/ENTREPRENEURSHIP
